

LED Power Spot - 9W

Product specification

IP20

IK02

RoHS

Luminosity: 510 Lm(Neutral White)

Rated power: 9 W

Power consumption: 8.6W(9.2 W with driver)

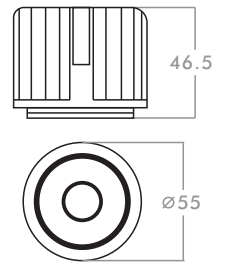

Lighting efficiency: 60 Lm/W (Neutral White)

Electrical input characteristics: 25 VDC/400 mA

Beam angle: 15° /24° /38° /60°

Dimming: Optional - 1~10v / Dali / Triac / Loading

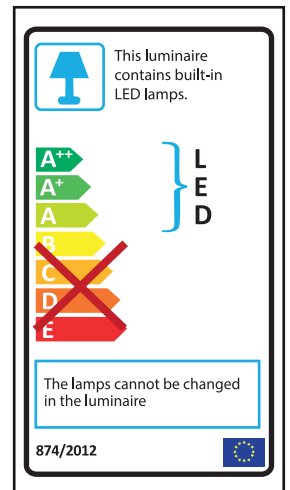

Color: White / Black

Unit: mm
